

## INSTRUCTIONS FOR AUTHORS

Submission of a paper to the journal implies that the work has not been published, and is not under consideration for publication in other journals. If the manuscript is accepted for publication, the authors agree that the article will not be published elsewhere. At least one author must submit a copyright agreement.

Two clear printed copies and a CD containing the manuscript should be sent to:

The Managing Editor  
NRCP Research Journal  
National Research Council of the Philippines (NRCP)  
Department of Science and Technology (DOST)  
General Santos Ave., Bicutan 1631 Taguig City  
Philippines

Alternatively, manuscripts (original and pdf forms) may also be sent electronically to:  
[nrcp.editorial@gmail.com](mailto:nrcp.editorial@gmail.com)

### Formatting Guidelines:

1. Title page should include i) title of the article; ii) full names, institutional addresses and email addresses for all authors. Affix an asterisk following the corresponding author's name; iii) three to ten keywords should also be included, representing the main content of the article; iv) a single paragraph abstract that summarizes the content of the paper. It should contain no bibliographic citations unless these are fully specified.
2. Manuscripts are typed on one side of the page, lettering should be in Arial.
